LET US WORK FOR YOU

In today's labor market, building the right team is a full-time effort. Let AEI Staffing partner with you to make your hiring process less stressful and more effective.

Whether your business needs full or part time employees, entry-level or experienced workers, we will market, recruit and interview only those candidates that are the best fit for your company.

GET STARTED TODAY

Contact us today to learn about our process.

We will fulfill your staffing needs and
you can do what you do best:
running a successful business.
